American Hurricane Shutters, Inc. (AHS Carolinas)

American Hurricane Shutters, Inc. · 1200 Castle Hayne Road, Wilmington, NC 28401 · (910) 256-1288 · (910) 256-8656 · (843) 868-1390 · matt.burns@ahscarolinas.com · ahscarolinas.com

Company

Family-owned hurricane protection contractor founded in 2006 by Michael Burns; led by Matt Burns, President and CEO. Our own crew designs, installs and services hurricane shutters and screens on homes, multifamily and commercial buildings from Beaufort, NC to Pawleys Island, SC, with commercial projects in the Charleston area.

Core competencies

• Roll down shutters, manual, pulldown and motorized (Hammerhead motors)

• Hurricane screens and wind abatement (Alutech StormTex)

• Accordion, colonial and Bahama shutters, rated and decorative

• Aluminum and clear storm panels; flat polycarbonate, with a rated Ultratek option (FL17733)

• Design pressure analysis for every opening; sealed engineering available for a fee

• Submittals: Florida Product Approvals, installation details, finishes, warranty

• Repair and service on all brands where parts are available, 24/7

Past performance

Client	Project	Scope
